Mohney's Comments

Almost Spring Break!

We have a large event occurring soon – Saturday, March 7th is TCGC.

Band non varsity pre-UIL is Thursday for second and third band.

Testing schedule will affect our UIL schedules for varsity band.

Cy-Falls will host non-varsity pre-UIL on Thursday.

Varsity pre-UIL will be at Cy-Ridge and more information will be available soon.

We will have judges at pre-UIL to provide feedback.

The judges will talk during performance and record their feedback which is good for the band.

Saturday is the TCGC show - still need more parent volunteers in some of these spots. They are easy jobs - hold doors etc.

We may do a walk through Friday for parents to see how the show will be run.

This is a big show that can bring in about 15-20K for our operating costs.

Winter guard is doing great and indoor drumline is doing great too.

Pre UIL on Thursday - 2nd band and third band which are 3rd and 4th period - they need clean white dress shirt, long plain dress socks and black dress shoes.

Percussion will wear black dress shirt - concert blacks.

Grades close on Monday after spring break - if they are ineligible they may not be able to participate in winter guard or indoor drumline.

After spring break - we have a sendoff concert for all 3 bands on March 25th, which is a Wednesday night; it's for our community around 7 pm in our auditorium.

Varsity band UIL is March 30, 31 or April 1.

We'll try to do a spring concert some time in April.

Band registration will happen in May
Incoming band parent meeting is scheduled for May 6th.

We need football schedule before we can do summer band schedule.

Kick off camp scheduled for May 16th - Rookie band registration that morning
Veteran band registration will happen the day before.

We may start summer marching band around July 20th.

First day of school is August 12th.
